# Skin.i.mal.ism

(verb) to simplify a skincare routine while not sacrificing results

One of the biggest trends changing the way people approach their skincare routines is the idea that less is more (less money, time and effort) - skinimalism. Forget 10 products that can overload your skin - it's time to downsize and simplify with 2 or 3 must-haves.

## We Put The Care in Self Care!

Protect, nourish, and improve your skin with formulas that feel so amazing they make every day *self-care day*.

A 3 step routine designed with care...

### STEP 1

#### Tint + Tone SPF 50

Daily tinted SPF moisturizer that hydrates, refines, protects, and leaves skin with a hint of tint.

[SHOP NOW](#)

### STEP 2

#### MD Restore Eye Gel

Day and Night, keep dark circles, puffiness, fine lines and wrinkles bright, tight, and out of sight.

[SHOP NOW](#)

### STEP 3

#### Mineral Moisture Defense SPF 50

This top-ranked mineral SPF delivers a unique blend of ceramides to preserve skin's moisture barrier and Vitamin C to boost collagen production and firmness.

# Kiss & Tell

THE REVIEWS ARE IN  
AND THE TALK IS SWEET!

We think our lip balms are amazing, but we're so flattered when skincare and beauty experts do, too. Here's what they're saying...

“

THE BEST ESSENTIALS TO KEEP IN YOUR BEACH BAG THIS SUMMER AND BEYOND, ACCORDING TO EXPERTS

BAZAAR

“

HOW TO TREAT AND PREVENT SUNBURNED LIPS, ACCORDING TO DERMATOLOGISTS

COSMOPOLITAN
