DEAR DAD...

With you in our corner, life's wrinkles are **no sweat**.
You're always there with an **instant fix**, of that we can bet.
When **close shaves** come our way, you help clean up our act,
Dad you are our hero and that's just a fact.

You're a **high performance** guy,
Continually teaching us to reach for the sky.
The best in us you always **(vitamin) C**,
Dad, you're the man we strive to be!

HAPPY FATHER'S DAY
TO ALL THE HEROES WE CALL DAD!
